CONTENTS

Special Issue: Risk and Governance

Preface ... ix

Safety in the globalising knowledge economy: an analysis by paradoxes
J.R. Ravetz (London, UK) ... 1
The risk game
P. Slovic (Eugene, OR, USA) ... 17
Regulating safety in an unsafe world (risk reduction *for* and *with* communities)
P. Barnes (Brisbane, Australia) ... 25
Risk as social process: the end of 'the age of appealing to the facts'?
S. Healy (Sydney, Australia) ... 39
Science and precaution in the appraisal of electricity supply options
A. Stirling (East Sussex, UK) ... 55
Prospects for public participation on nuclear risks and policy options: innovations in governance practices for sustainable development in the European Union
M. O'Connor and S. van den Hove (Guyancourt, France) ... 77
Chains of damages and failures in a metropolitan environment: some observations on the Kobe earthquake in 1995
S. Menoni (Milano, Italy) ... 101
Increasingly intolerable boundaries: future control of environmental pollution
J. Scanlon (Ottawa, Canada) ... 121
Chemical safety and governance in Brazil
C.M. de Freitas, M.F.S. Porto (Rio de Janeiro, Brazil), N.B.B. de Freitas (São Paulo, Brazil and Rio de Janeiro, Brazil), F. Pivetta (Rio de Janeiro, Brazil), A.S. Arcuri (São Paulo, Brazil), J.C. Moreira and J.M.H. Machado (Rio de Janeiro, Brazil) ... 135
Mining conflicts, environmental justice, and valuation
J. Martinez-Alier (Belaterra Barcelona, Spain) ... 153
Incentives for mitigation investment and more effective risk management: the need for public–private partnerships
H. Kunreuther (Philadelphia, PA, USA) ... 171
The role of risk assessments in the governance of genetically modified organisms in agriculture
R. Strand (Bergen, Norway) ... 187
Democracy and the governance of uncertainty. The case of agricultural gene technologies
L. Pellizzoni (Trieste, Italy and Gorizia, Italy) ... 205
From irreversibility to participation: towards a participatory foresight for the governance of collective environmental risks
S. Faucheux and C. Hue (Guyancourt, France) ... 223
Present challenges to risk governance
G.F. Heriard-Dubreuil (Paris, France) ... 245
